We will be going through Bob Goff's, "Love Does" video series. It is a short video each session with questions and discussion. Several months ago we went through another one of his video series and all who were there enjoyed and learned from it. Bob has a unique, laid back way of getting his point across that is very easy to learn from. He has a wide variety of adventures that he uses as illustrations. Come Sunday evenings during the month of April to hear how to put feet to LOVE.
